

# More Observations of My Square of Life

Name \_\_\_\_\_ Date \_\_\_\_\_

Time \_\_\_\_\_

Name of Square of Life \_\_\_\_\_

Current Weather \_\_\_\_\_

Question I am trying to answer \_\_\_\_\_

**Carefully draw a picture of your Square of Life.** Make a drawing of one animal that you see or hear or evidence of an animal that had once been here.

Describe the animal or the evidence that an animal has been here. What are its physical characteristics (size, coloration, number of legs, kind, etc)? What is it doing?
