

More Schoolyard Plant Observations

Name _____ Date _____

Time _____

Name of Square of Life _____

Current Weather _____

Question I am trying to answer _____

Carefully draw a picture of one plant in your Square of Life.

Describe the plant in detail. (What color is it? How many leaves does it have? What is the shape of its leaves? How tall is it? Does it have flowers? Is there evidence of an animal having interacted with the plant? Describe the group that this plant is a member of.)
